

Design Division II

"A Walk in Space"

Section A

"Milky Way"

Eligible for the Designer's Choice Award

Class 1 "Mercury -- hot/cold - no atmosphere" A **Creative design** featuring a dominant sculptural form either natural or contrived, to be displayed on a 35" tall gray pedestal with an 18" top to be viewed from all sides. Optional underlay/drape.

Class 2 "Jupiter- gas planet, has at least 67 moons " A **Design** featuring multiple containers (minimum 3) to be staged on a black triangular platform 24" high and sides of top each 30" in length. Platform will be set on the stage. Design to be viewed from all sides. Height of design unlimited.

Class 3 "Saturn - 3 rings of ice and rock " A **Creative Design** incorporating rings to be staged on a table space covered in white 36" wide x 30" deep in front of an olive green curtain. Staging panel optional.

Section B

"Cosmos"

Eligible for the Tricolor Award

Class 4 "Neptune - strong winds, rocky core " A **Spatial Thrust design** to be staged on a table space covered in white 36" wide x 30" deep in front of an olive green curtain. Staging panel optional.

HB p208 A Creative Design in which 2 parallel placements (lines) of like material are used to define a volume of vacant space, creating a feeling of thrust.

Class 5 "Uranus- oddball, orbits on its side, methane makes it green/blue color" A **horizontal line mass design**, to be displayed inside a white shadowbox 24" high x 36" wide x 11" deep, set on a table.

Class 6 "Earth- Water world, 2/3 covered in water " An **Underwater Design** to be displayed on a 35" tall gray pedestal with an 18" top to be viewed from all sides. Optional underlay/drape.

HB p 212 A Creative Design having component/s, including some or all plant material, submerged in water. These underwater components must contribute artistically to the overall design, not merely be stems or mechanics.

Section C

"Orion's Belt"

Eligible for the Petite Award

Class 7 "Venus -- Spins opposite direction, toxic atmosphere " A **design**, staged within a black 8" diameter embroidery hoop supplied by the committee, on a raised area draped in black. Plant material fresh and/or dried.

Class 8 "Mars - cold and dusty, red planet " A **design** not to exceed 8" in height, width or depth, staged on a raised area draped in black, staging panel optional. Plant material designer's choice.

Class 9 "Pluto - dwarf planet" A **design**, not to exceed 5" in height, width or depth, to interpret the title, staged on a raised area draped in black, plant material designer's choice.
